For Reference

Not to be taken from this room

year-book (yir'book') n. A book published annually, presenting information about the previous year.

ad-min-is-tra-tion (ad-min'is-trā'shən) n. **1** The act of administering, or the state of being administered; management of public affairs. **2** The government as existing, or the persons collectively who compose it, especially its executive department, also, the official tenure of such government. **3** Law The legal management and settlement of the estate of a deceased person, as by a trustee or administrator.

fac-ul-ty (fak'al-tē) n. pl. -ties **1** Any mode of bodily or mental behavior regarded as implying a natural endowment or acquired power: the faculty of seeing, feeling, reasoning. **2** Any special form of skill, or unusual ability, whether natural or acquired; knack; turn; native faculty. **3** One of the native complex capacities or powers into which the older psychology analyzed, and to which it ascribed, the phenomena of conscious mental life: the faculty of perception, memory, thought, etc. **4** The members of any one of the learned professions, collectively: the faculty of law or medicine. **5** The body of instructors in a university, college, or higher educational institution. **6** A department learning or instruction at a university: the English faculty. **7** In the Roman Catholic Church, the right to perform certain ecclesiastical functions, bestowed by a prelate upon a subordinate; formerly, also, power or privilege in general bestowed or otherwise obtained: chiefly in the plural. **8** Ability to do or manage: execute skill and efficiency, especially in domestic matters: a housekeeper of noble faculty. **9** Pecuniary resources; means. See synonyms under ABILITY. (OF *faculte*-L *facultas*, -tatis, *facilis*. See FACILE.)

Mr. Flaherty

To the Class of 1980:

Let me congratulate you upon your graduation from Billerica Memorial High School. Your diligence and study have produced a level of education not enjoyed by everyone. Many of you will continue to increase that level through some type of further education. This number continues to increase with each graduating class and we are delighted to recognize that fact. The 1980's are going to require more of our young people than ever before. Not one single graduate of the Class of 1980 can afford to be passive toward the future of his country. There is too much at stake for all of us. You must perform to the fullest of your potential. Only then can we say that the Class of 1980 has fulfilled its obligation.

Sincerely,
William H. Flaherty, Jr.
Superintendent of Schools

Mr. Heffernan

Mr. Nuttall

Mr. Kazanjian

William Archambault

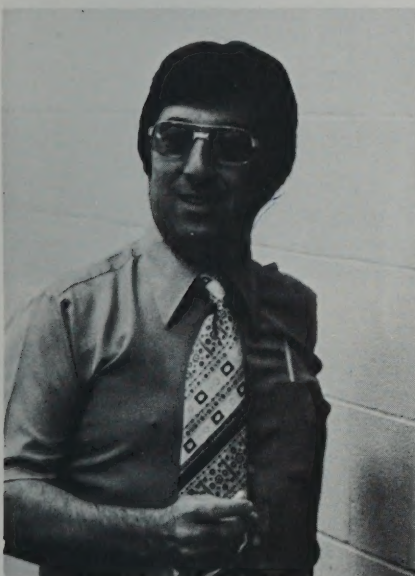

To the Class of 1980:

Congratulations on completing the requirements for your high school diploma.

In case you have forgotten, you are the first class to graduate from Billerica Memorial High School that required 95 credits for graduation. While this is a minimum requirement, most of you earned 100 credits and more and are to be commended on this fine achievement.

Best of luck and good health in all you undertake in the future.

Sincerely,
William Archambault
Principal

My goal for once I am out of
school is to be a secretary and
being able to travel. Going on
field trips in the nurses club for
the good times that DM TB KM
KK had at the lunch table last
year. To the good times that DM
TB had out of school. To the
good times DM LB KB TC had
on Mrs. Babcocks field trips To
the good time when TB DM had
got hit by a guy one morning at
the center, and seeing TB facce.
Best year was being a senior
looking forward

sports (spôrts, spōrts) n. **1** That which amuses in general; diversion; pastime. **2** A particular game or play pursued for diversion, especially an outdoor or athletic game, as baseball, football, track, tennis, swimming, etc. **3** A spirit of jesting or railery. **4** That with which one sports; a toy; plaything. **5** Mockery; an object of diversion; to make sport of someone; also, a laughingstock; butt. **6** A person characterized by his observance of the rules of fair play, or by his ability to get along with others: a good sport. -v.i. **1** To amuse oneself; play; frolic. **2** To participate in games. **3** To make sport or jest of; trifle.-adj. Of, pertaining to, or fitted for sports; also, appropriate for informal outdoor wear: a sport coat. (aphetic var. of DISPORT)-sport'er n.-sport'ful adj. -sport'ful-ly adv. — sport'ful-ness n.

band (band) n. **1** A company of persons associated, organized, or bound together. **2** A company of persons organized to play musical instruments. **3** A group of certain instruments in an orchestra: the string band. **4** A drove of animals, nomadic peoples, etc., wandering together. -v.t. To join or unite, as associates in a league or compnay: often with together. -v.i. to confederate. (-F bande. Akin to BIND.)

The 1979 Billerica Memorial High School Competition Band and Silver Jade Color Guard

The 1979 Billerica Memorial High School Competition Band and Silver Jade Color Guard carried on the tradition of excellence established in previous years and by the end of the season attained the highest score ever awarded to a band in the history of the circuit.

Based on the music of Chuck Mangione's, The Children of Sanchez, the corps performed a colorful panorama of sight and sound that left a vivid impression on all who witnessed the performance. The achievements for 1979 included:

Drums by the Sea — 3rd place

Best Color Guard

Bay State Field Show — 2nd place

Somerville Field Show — 2nd place

Gloucester Invitational Field Show

—

1st place and Best Drum Major

Beverly Band Classic — 1st place

Woonsocket Invitational Field Show

—

1st place and Best Drum Major

The Color Guard captains for 1979 were Joyce Lonergan and Debbie Clericuzio. The Field Director was Elaine Foley.

cheer-lead-ers (Chêr'lê'ders) n. A person(s) who leads spectators in cheering, esp. at a game.

Varsity Cheerleading

The Fall Varsity Cheerleading Squad, coached by Mrs. Boudreau, consisted of 8 seniors and 4 juniors. The cheerleaders were lead by captain Barbara Sullivan, cheering at all football games as well as organizing and performing in the Thanksgiving

Day Rally. At the Fall Award Night, awards were given to Ellen Riordan for the Most Outstanding Cheerleader and to Michelle Murphy for the Coach-Captain award. The girls showed tremendous effort in creating new cheers and formations throughout the season.

Heidi Coleman Barbara Sullivan

Robin Gallant Cheryl Livsey

Jo Marie Monaco Deborah Livsey

Michelle Murphy Maureen Silveria

Ellen Riordan Penny Stickney

cross-coun-try (kros'kun'tre, kros'-)

adj. **1** Proceeding over fields, through woods, etc. **2** From one end of the country to the other. -n. **3** A cross-country sport or sports.

Boys' Cross-Country

The Varsity and Junior Varsity Boys' Cross-Country teams, coached by Mr. Roger Samson, again had an excellent season this year. The team, led by co-captains Dan Sullivan and Jim Dangora, went on to win the Merrimack Valley Championship with a perfect record of 9 wins — 0 losses in league competition. This gave Billerica their tenth Merrimack Valley Championship since it was instituted in 1959.

The Varsity team also did extremely well in the big invitational races, placing 1st in the Northern Area District Championship for the second year in a row with a total of 76 points (39 teams competing). The team came in 3rd place in the prestigious Catholic Memorial Invitational Div. I, 3rd place in the Div. I All Class meet, and capped the season by placing 2nd in the All-State Cross-Country Championship (20 teams representing the best throughout the state of Massachusetts).

Out of the team all-stars in the Merrimack Valley League, Billerica placed 5 of its members: Brad Costedio, Dennis Cullinane, Kevin Curtain, John Dangora, and Dan Sullivan.

The Junior Varsity also had a winning record of 7 wins — 1 loss and 1 tie.

Girls' Cross-Country

(Coach Roger Samson)

The Girls' Cross-Country team, in only its 2nd year of organized competition, performed commendably throughout the season. The team was led by tri-captains Sande Cullinane (All-Globe Scholastic), Kelli Ward, and Robin Weissbach to a league record of 6 wins-1 loss. Their only loss was to Methuen by one point. (who won the Merrimack Valley Championship)

The team proved throughout the year that they were a better team than Methuen by placing 2nd in the Bedford Invitational, losing to Bishop Fenwick by 4 points; placing 2nd in the Northern Area District Championships, losing to Haverhill by 3 points; and by placing 3rd in the Div. I All-Class meet.

Sande Cullinane had an excellent season going undefeated in the Merrimack Valley competition and placing 2nd in the all-star meet in which the team came in 7th place.

Four team members received the honor of making the Merrimack Valley All-Star Squad: Sande Cullinane, leading all of the balloting of the coaches, Freshman Kathy Norton, Senior Kelli Ward, and Senior Jane

McElligott, who also headed the balloting.

field hock-ey (fēld' hok'ē) n. A game, played on a rectangular field, in which two teams of 11 players each compete in driving a small ball into each other's goal. using a hock-ey stick.

Varsity Field Hockey

The Varsity Field Hockey team had a very good 1979 season with an overall record of 11 wins, 2 losses, and 1 tie during its regular schedule and 1 win in State Tournament play, losing the second game to last year's State Champions, Woburn. Five Seniors were represented for the All-Conference team — 3 made the first team selection, and 2 honorable mention.

Sue Staffier was also elected from the Merrimack Valley as a Globe All-Scholastic. Although they are losing 16 Seniors, our Junior Varsity Squad looks very promising after a successful seasonal record of 6 wins, 7 ties, and only 1 loss.

foot-ball (fōt'bōl') n. **1** U.S. A game played between two teams, properly of eleven men each, on a field with goals at each end, points being scored by running or passing an ellipsoidal leather ball across the opponent's goal posts placed on or

behind the goal line. **2** The ball itself. **3** Brit. a. Soccer. b. Rugby football. **4** Any person, idea, etc., banished or shunted back and forth.

Football

The 1979 football team, lead by the Senior tri-captains, Jack Hayes, Rick Glavin, and John Beecy, kicked off the year in fine fashion. They provided Billerica with weekend after weekend of thrills and excitement. Though often outsized and plagued with injuries, the team displayed the characteristic, "never say die" and a gutsy attitude every game this season.

Billerica Memorial High School would like to thank Coach Meyerhoefer and his staff for their dedication and hard work this past season. A special "thanks" to those 23 Seniors who have worn the green and white for the last time and whose hard work made this season what it was.

soc-cer (sok'er) n. A form of football in which the ball is propelled toward the opponent's goal by kicking or by striking with the body or the head, the goalkeepers being the only players allowed to touch the ball with the hands or forearms: officially called association football. (Alter. of ASSOCIATION)

Soccer

During the 1979 season, the soccer team captured its 3rd Merrimack Valley Conference Championship in the past 4 years under the leadership of co-captains Jim Murphy and Brian Hughes. Many new school and league records were broken enroute to a seasonal record of 16 wins, 2 losses, and 2 ties. The team qualified for the Eastern Mass. Soccer Tournament for the 6th straight year since 1973.

This season marked Billerica's greatest offensive team ever with 60 goals in 20 games. Senior co-captain, Jim Murphy, set new school and league scoring records and he was chosen as the MVC's most valuable player.

"The No Entry Sentry" was formed early in the season and then went on to post 9 consecutive shutouts, another new league record. Members of the "Sentry" include Junior goalkeeper Gay Schermerhorn, sweeper Tim McCaffrey, stopper-back Clyde Maynard, and wing full-backs John Ellis, Chris Aylward, and Fred Glavine. The "Sentry" posted 13 shutouts and 10 goals in 20 games. The top goal-scorers for the team were Jim Murphy (15 goals), Kevin Courtney (11 goals), Darren Cowan (11 goals), and Jim Elwood (10 goals).

On all soccer teams, the mid-fielders are the work-horses of the team and co-captain Brian Hughes is clearly the best defensive mid-fielder in the league. Throughout the year he personally pulled 5 sure goals off the line to save the team. Sophomore Chris Pike and Junior John Sampson each chipped in solid efforts also, along with Seniors Bob Jones and Peter Rios.

The high-scoring offense set the pace for the success the team achieved this year with Jim Murphy (15 goals, 13 asst.), Darren Cowan (11 goals, 6 asst.), Kevin Courtney (11 goals, 4 asst.), and Jim Elwood (10 goals, 4 asst.). Leading the way, Dave Errico, Steve Angducci, and George Busnack were also important factors in the attack.

The following were the highlights of the 1979 season:

- Beating an undefeated Tewksbury team 4-0
- Beating Methuen under the lights 3-0 at Methuen
- Beating Wilmington 4-0 at home
- Beating Austin Prep 3-2 after being down 2-0 half way through the 3rd quarter
- Beating Chelmsford 1-0 for Mr. A's 100th win
- A 3-1 overtime victory over Acton-Boxboro
- A 1-0 win over Salem
- The Sentry's fine efforts in the 2-1 loss to Lexington in the Div. I North Semi-finals

The team had 9 league All-stars:

1st team — Jim Murphy (League MVP), Brian Hughes, Gary Schermerhorn, Darren Cowan

2nd team — Clyde Maynard, Tim McCaffrey, Jim Elwood

honorable mention — Kevin Courtney, John Ellis

The team is losing 8 seniors this year: Kevin Courtney, Clyde Maynard, Peter Rios, Brian Hughes, Bob Jones, Chris Aylward, Jim Murphy, and Dave Erricco.

Returning Varsity Players from 1979 are Gary Schermerhorn, Jim Elwood, Tim McCaffrey, Chris Pike, Steve Angelucci, George Bushnack, John Sampson, Darren Cowan, Bob Angelucci, Brian Mahoney, John Ellis, Brian Morgan, Fred Glavine, Dave Sampson, Kevin Hartin, Mark Fredrickson, and Manager Tim Gorman.

Looking ahead to the 1980 season, the team should once again bring all the honors home.

swim-ming (swim' ming) n. The act of one who swims. -adj. **1** Used for swimming; having the capacity of swimming; natatorial. **2** Watery; flooded with tears, as the eyes. (-swim)

Girls' Swim Team

Under the leadership of senior captain Annette Suarez and junior captain Stina Christensen, the girls' swim team tied for third place in the league with a record of 5 wins and three losses and they finished 7/4 overall. The 200 yard medley relay team of Maryann Haring, Susan Hill, captain Stina Christensen, and Hiedi Jean represented Billerica at the North Sectional Swimming and Diving Championships. Also competing in the Sectionals were Hiedi Jean in the 50 yard freestyle, Stina and Brenda Christensen and Julie and Lisa Farmer in the 100 yard

butterfly, and Susan Hill in the 100 yard breaststroke. Susan also represented Billerica in the breaststroke in the State Championships held in Springfield.

vol-ley ball (vol'ē bôl') A game in which a number of players on both sides of a high net endeavor to keep a large ball in motion with the hands from side to side without letting it drop; also, the ball itself. Also, vol-ley-ball (vol'ē-bôl').

Girls' Volleyball

The Girls' Volleyball team had another good year even though they were not predicted to excel during a building year. The team placed 2nd in the league with a 10-2 record and an overall seasonal record of 12-3. The team now holds an impressive five year record of 65-7.

The team qualified for the State Divisional Tournament with an 80% entry. They placed second in their Pool behind Boston Latin (a team with 3 boys). They played another round in the quarter finals and advanced again to the finals. The team bowed out after three round-robin tournaments by tying for 3rd place in their pool; thus, placing the team no less than sixth in the state.

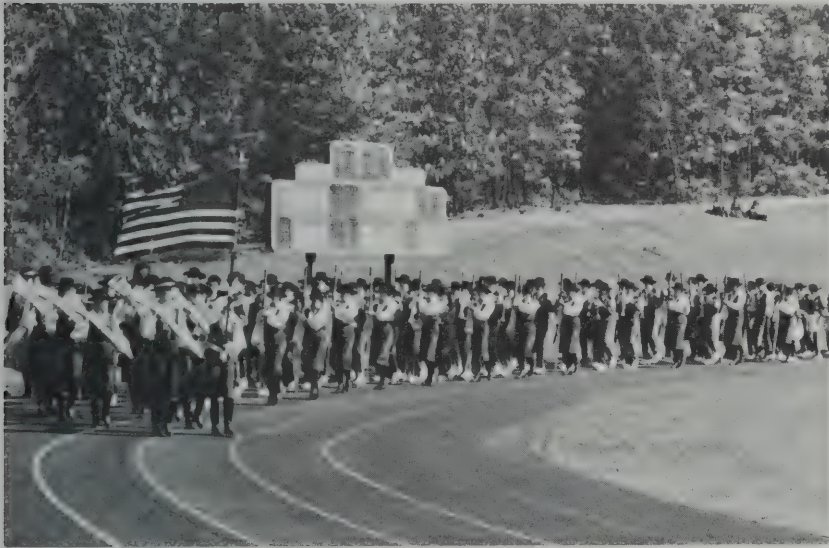

The team will be graduating 5 seniors; therefore, next year will be another promising and exciting season.

Bas-ket-ball (bas'kit-bol') n. — A game played between two teams of five players each, the object being to throw the ball through an elevated basket on the opponent's side of the rectangular court.

Boys Basketball

The 1979-80 edition of the Billerica Boys Basketball team is currently enjoying a fine season under head coach Ed James, now in his sixteenth year as head basketball coach. At midpoint in the schedule Billerica is sporting an 8-2 record in the league and an overall record of 11-4 led by senior tri captains Rich Flaherty, Andy Dagle and Steve Elmore and Seniors Rich Glavin Rich Bates, Tom Joyce and Jr. Tim McCaffrey. All are enjoying a fine season. Rounding out the varsity squad are senior Greg Hughes and juniors Jim O'Conner, Jim Powell and Bob Gamble.

Girls Basketball

The 1979-80 Girls Basketball Team got off to a slow start, but has shown improvement steadily throughout the season. Led by tri-captains Barbara Gosselin, Carol Fitzgibbon & Maryellen Fitzpatrick, the team also boasts five more members of the Senior class. They are, Judy Lang, Lori Jean, Joanne Holey, Diane Busnach and Sandy Mitchell showing great promise for next year are junior forwards, Kathy Elden, Karen McNulty and Debbie Plummer along with a fine backcourt team of Debbie Kilroy & Elena Glavin.

Gym-nas-tics (jim-nas-tiks) pl. n. Body building exercises, especially those performed with special apparatus in a gymnasium.

Boys Gymnastics

The Boy's Gymnastic team had a very successful season chalking up several team and individual victories. Co-captain Todd Guarnieri,

the teams all-around performer, took several first places on the floor, horizontal bar, and vaulting. Co-captain Doug Sousa had an excellent year as the teams top side horse man and Jim Skinner finished their four years of Billerica Gymnastics scoring consistently high on several events. Junior Dave Crawford had an exceptional year as one of the leagues top floor exercise performers. Sophomores George Busnach, Steve Grasso, John Flaherty, Alan Gifford, Tom Melendy and Sean Fitzpatrick provided the team with the depth it needed for a successful year. First year members Dave Brocha and Mark Adams greatly improved throughout the year to help out in this teams effort.

Hock-ey (hok'e) n. — A game played on ice in which two opposing teams of skaters, using curved sticks, try to drive a flat disk or puck, into the opponents' goal. Also called "ice hockey".

Hockey

The hockey team this year did not have the success it is accustomed to, but still enjoyed a winning season. Injuries to key players throughout the year was a key disappointment to our team. With ten seniors on the team, we sure will miss the scoring touch of Paul Dornan, and the solid defense of Eric Ekberg and Phil Loranger. After playing second string goalie to Bob O'Connor for two years, Brad "the cat" Costedio showed that he can be a real quality goal-tender. The team will also miss the strong forchecking and backchecking of Jim Miner and Tom Wronski. Other seniors on the team were Shawn Ceglanski, Dave Errico, Dave Laskowsky and Billy Harris.

Swim-ming (swim-ming) n. — 1. To propel oneself through water by means of movements of the body or

parts of the body. 2. To move as though gliding through water.

Track (trak) n. — a. A road or course, as of cinder, laid out for running or racing. b. Athletic competition on such a course; track events.

Boys' Indoor Track

Billerica 50 Andover 36
Billerica 44 Methuen 42
Billerica 55 Austin Prep 31
Billerica 48 Chelmsford 38

The Boys Indoor Track team completed its first undefeated season to win the MVC. Several school records were broken by this team, most notably the mile relay record with a fine 3:32.4. Team members were: Ron Caterino, Jim Dangora, Rick Bennett and Kevin Curtin. Other members of the Class of 80 who contributed to the success of the team:

Sean Doyle — hurdles
Eric Thissell — mile
Dan Sullivan — two mile
Rick Bennett — 600
Paul Bradford — 600
Rick Middleton — shot put
Steve Silva — 300
Kevin Courtney — high jump
Mike Leyne — two mile
Kevin Curtin — 1000
Jack Healey — two mile
Jim Dangora — mile

Billerica 47 Methuen 41
Billerica Somerville

The girls version of the track team completed its second consecutive undefeated season to win the North Shore Track League. Indeed, the senior girls, many of whom have been nationally ranked as individuals or as members of our highly successful relay teams, have never known defeat in a Billerica Track Uniform. The team is presently preparing to defend its State Meet Title in February.

Members of the class of 80 are:

Sande Cullinane — mile, two mile

Sandy Sutherland — shot put

Kelli Ward — 600

Lisa Peters — 300

Sarah Taylor — hurdles

Jane McElligott — two mile

Barb Paquette — high jump

Kathy Flaherty — dash

Wres-ting (res-ling) n. — A gymnastic exercise or contest between two competitors who attempt to throw each other by grappling.

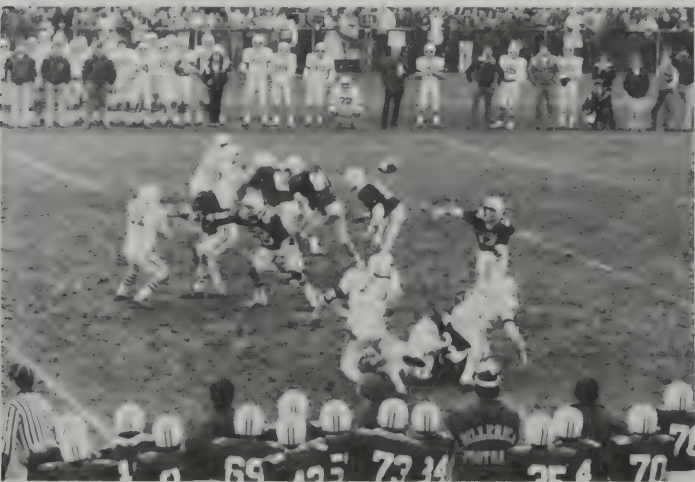

Wrestling

The 1979-80 wrestling team again enjoyed another outstanding season. This years team has won its third consecutive MVC title and could very easily have its first undefeated season. With only six seniors on this years squad and an outstanding

group of underclass men returning, the future remains bright for Billerica wrestling.

I, **Marcia Sugden**, being of sound mind and body, leave This school with alot of memories of good friends, good times, and a lousy system.

I, **Barbara Sullivan**, being of sound mind and body, leave with memories of the past and hope for the future with Joe.

I, **Jack Sullivan**, being of sound mind and body, leave BMHS to my younger brothers and hope they have more enthusiasm. Also many fond memories.

I, **Sandy Sutherland**, being of sound mind and body, leave all my shotputs to hang over Mr. McCarthy's head and drop the next time he refers to me as Slutherland.

I, **Cindy Tallman**, being of sound mind and body, leave happy times to future seniors.

I, **Joyce Tassone**, being of sound mind and body, leave to S.M. one dozen C-Shirts and 12 matching turtle necks

I, **Sarah Taylor**, being of sound mind and body, leave This high school and Billerica — gladly!!!!

I, **Bob Tedford**, being of sound mind and body, leave my weight set to George Morse because he needs it.

I, **Margorie A. Theolke**, being of sound mind and body, leave to my sister Suzanne the good grades and times that I had and didn't have in the years that I'll never have again.

I, **Judy Tichanuk**, being of sound mind and body, leave all the good times I have had with my friends.

I, **Rosanne Tomei**, being of sound mind and body, leave this wish — that everyone has as good time as I did!

I, **Katherine VonKahle**, being of sound mind and body, leave with my diploma finally, and may the person who flattened three of my tires have three himself.

I, **Diane Walsh**, being of sound mind and body, leave my high school diploma to Maureen M because she'll lose her first one (and she won't get one from her sister)

I, **Kelli Ward**, being of sound mind and body, leave Billerica gladly & with a big smile.

I, **JoAnne Wasylak**, being of sound mind and body, leave all the good times I had at BMHS to my brother David

I, **Maria Whippen**, being of sound mind and body, leave to Cindy all the good times at BMHS & hope she meets as many great friends as I have.

I, **Patricia White**, being of sound mind and body, leave Michael and Kristen all the great times I had in BMHS

I, **Debbie Williams**, being of sound mind and body, leave my books and "homework to any one who wants them"

I, **Mark Wilson**, being of sound mind and body, leave all my bad memories of BMHS behind, and take the good ones with me.

I, **Mary Wilson**, being of sound mind and body, leave my good memories of BMHS also all my fake passes to my little brother & sister.

I, **Valerie Wood**, being of sound mind and body, leave my sound, mind and not my body.

I, **Tom Wronski**, being of sound mind and body, leave BHS with no regrets.

Glossary

Audio/Visual Club — The audio/visual club trains students in the use of media equipment. They then assist teachers in the use of film, slides, filmstrips, and video and photographic equipment. Students who become familiarized with the devices become more aware of how the different pieces of machinery work.

Career Education — The career education department has been busy offering students career exploration and vocational counseling — the resources center in the new addition has many different resource and research materials. The G.I.S. computer program gives a wide variety of job descriptions, two and four year post — graduate schools and scholarship information.

The vocational counselor sees students in individual sessions to assist them in formulating their career plans with necessary information. The resource aide visits classrooms to alert students to services offered at the resource center. Faculty workshops have provided the staff with career education concepts and have offered the many resources and tools to incorporate career education in the academic program.

Chorus — The B.M.H.S. chorus is a group of students who enjoy singing. The only requirement is an interest in music. Rehearsals are held first period each day and are begun with warm-ups. The Chorus is under the direction of Paul Cox and are accompanied by pianist, Rebecca Kelly. The chorus performs many times during the year at various places.

Competition Band — The competition band is a group of disciplined and competitive individuals who spend hours for practice from mid-August through November to achieve their goal of being the best. As a charter member of the New England Scholastic Band Association, the band and color guard has never placed lower than third in any competition they have entered. The motto of the band, "None of us are as good as all of us." indicates their spirit and the bulging trophy cabinets are visual proof of their achievements.

Debating Club — The debating club is composed of students who share a common interest in developing

proficiency in argument. President Darcy Frank, vice-president Tom Swan, secretary Gayle Hamilton, and treasurer Pam Fox learn the formal way to debate. After achieving sufficient skills in the art of debating, they travel to tournaments at Melrose, Catholic Memorial, Boston Latin and Boston College High Schools.

Newspaper — The school newspaper is designed to give the staff a chance to learn how to put together a newspaper. It is designed to entertain and inform students of the school as well as to give interested students a chance to draw cartoons, write editorials, conduct interviews, and use their creative skills to write columns as done by local newspaper staffs.

The staff meets once a week for half an hour to discuss the set-up and the content of the paper which comes out once a month. Each month the finished product is made available to students and teachers for 25¢.

Office Simulation — Office Simulation is Billerica's very successful transition-to-work business/office program. The students go through skill development and simulated job experiences until they are prepared enough to be placed in office jobs in the community. In the five years the program has been in operation, the job placement rate has been 98 percent.

Regional Advisory Council — The Regional Advisory Council is an organization of students which represents Billerica high school students at School Committee meetings. This gives these few students a chance to observe the workings of local government and also an opportunity to present important student topics to the committee for review if necessary. This not only gives the advisory council a chance to be part of government, but it gives high school students some representation at school committee meetings. The importance of this council is to make sure students' needs are being recognized and dealt with.

Senior Class Officers — The senior class officers are elected each year by the senior class. A poll is taken and votes are counted to determine the president, vice-president, secretary, and treasurer. These four elected officers are in charge of such activities as fund raising, dances, and the location of the senior prom.

They meet with each other and the principal during activity periods and studies to discuss ideas or problems that the officers or the senior class might have. This job is an important responsibility and the officers must make their decisions based in the needs and desires of the senior class — which can often be a difficult task.

Silver Jade Color Guard — Established during the winter of 1978, the Silver Jade Color Guard became the first high school guard to ever remain undefeated for an entire season. Since that auspicious start, the later guard members have taken special pride in knowing that they are the best at what they do. Flags, rifles, and sabres co-ordinate in visual symmetry to the musical program to produce an awesome display of intricate marching and carriage effects.

Ski Club — Each year the ski club runs an average of five, one-day trips, and during the past seven years has conducted a trip out west or abroad during the February school vacation. Through the annual trip more than two-hundred skiers have traveled to Europe or Colorado, while over fifteen-hundred students have taken various day trips to New Hampshire and Vermont ski areas.

Anyone interested in joining the club should attend the meetings held during activity periods.

D.E.C.A. — (Distributive Education Clubs of America) — This is the only national youth organization which attracts young people to careers in marketing, merchandising, and management. Through its program of career-orientated competitive events involving nearly 300,000 members, students prepare for future positions as leaders in marketing and distribution.

The German Club — The German Club is composed of a few students from each of the four levels of German classes. These students are interested in learning more about the heritage, culture, and every day life of the German people than can be learned in regular classroom work. This is accomplished by watching films from the German Consulate in Boston, seeing slides taken by people who have traveled to German speaking countries, playing games in the German language, making travel plans, trying German recipes, etc. These activities make students more aware of the German influence in the world.

Home Economics — At B.M.H.S., the department of Home Economics has courses to match **your** interests!

Learning by doing is the approach in Home Economics. Students try their hand at planning and implementing children's programs, working with children with special needs, analyzing clothing designs, working with special fabrics, purchasing fabrics in Boston's garment district, preparing Oriental dishes using a wok, frying dough Quincy Market style, quilting, knitting, and crocheting.

Many students have found their lives enriched through acquiring some of these new skills.

Math League — Math League is composed of students with a strong interest in math. Students are tested in all areas of math, from arithmetic to trig and complex numbers. The team consists of ten students from the sophomore, junior, and senior classes, and each competes in three of the six categories. Each test contains three questions and members have ten minutes to answer. Each month Billerica competes against seven area schools. The year ends with a championship meet and a field trip.

National Honor Society — For well over half a century, the National Honor Society has worked to bring the achievements of outstanding high school students to the attention of their classmates, their parents, their communities, and the colleges they plan to attend. Chapters in more than 20,000 secondary schools continue to strive to give practical meaning to the society's dedication to scholarship, service, leadership, and character. By utilizing and exemplifying these four traits, the N.H.S. members help to counter the many negative forces in the school today. Billerica, being one chapter, designs and maintains its own programs for using the talents of its members to the benefit of the school.

The Billerica students who have been elected into the National Honor Society have earned membership by effective demonstration of these four qualities: service, scholarship, leadership, and character.

Special Vocal Ensemble — The special vocal ensemble is a unique group which consists of a smaller number of members than the chorus. Unlike the chorus, the members are chosen after every interested student has auditioned. The group, besides performing at the school during Christmas with the chorus, is asked to perform at various community groups such as the Rotary Club, the Billerica Women's Club, and St. Theresa's Church. This group meets every third period of the school day to rehearse and, together with the chorus, performs for the school in December and May.

Student Advisory Council — The Student Advisory Council to the high school is made up of the president, vice-president, secretary, and treasurer of each of the four classes. The advisor to this committee is Mrs. Norma Buckley. The council meets monthly with the principal to explain the activities of each class and to help improve discipline, character, and conditions of the school as suggested by the council. The students also advise each other on activities each class plans to undertake. The major function of this council is to give the students some control over the activities in their school and to aid teachers and administrators by informing them of student opinion.

Yearbook — The yearbook staff consists of senior students who volunteer to work together to gather material that is symbolic of the four years of hard work and good times experienced by the graduating class. The material is then presented in the form of reminiscent words and pictures.

With the helpful and appreciated advice and guidance from advisors Mr. Richardson and Mr. Flynn, and the financial assistance obtained from the advertisements solicited by the staff, the yearbook committee is able to put together a book which it hopes will serve as a proud reminder, in the years to come, of days spent at Billerica Memorial High School.

To The Class of 1980:

We the staff of the Billerica Memorial High School Yearbook would like to use this page to thank all those people who contributed in making this book possible. Those people who solicited ads, did the typing, and actually completed the layouts, we extend our appreciation for the many hours spent.

Many hours have also been spent proofreading in hopes that all typographical errors and other mistakes would have been corrected. There was a further problem with some of the senior sittings, trying to assure that the right ones were used. For any errors that have escaped us, or for the use of the wrong sittings, we apologize. Much of this was beyond our control.

As for the style and design of the book, we make no apologies. We feel that we have done the best that we possibly could to present the 1979-1980 yearbook in the classiest way possible. We hope that you will be able to use this book to look back upon your years at BMHS. It is our hope that you will be as satisfied with what we have accomplished as we are.
